Full Plenary Conference tickets to HR Tech Europe 2013 are still available. Please be aware that HR Tech Europe has sold out in each of the previous 2 years. Due to Popular Demand – breakout sessions and collocated events at our 2013 show are now Sold Out. BUT, please note that there are inevitably a percentage of cancellations / no-shows on the day at most sessions so seats may become available. The organizer recommends that delegates eager to attend particular sessions, should visit the session room onsite where our hosts and hostesses will do their best to accommodate your attendance.
